About Us

We, Mehta Cad Cam Systems Pvt. Ltd., are a highly reputed name of global marketplace. Our company has been working in the sector for the past 32 years in an ethical and customer centric manner. We have constantly remained focused on bringing forth seamless 4 Sets of Seiko 1024 HG-L Flex Printers, UV Flatbed Printers, CNC Routers, Laser Engraving and Cutting Machines, etc. To assure this, every single item is quality tested at our in house facility.

We have the support of a skilled team and management, both are led by our talented director, Mr. Shailesh Mehta. He encourages all the professionals working at our premises to complete each task with perfection. Owing to his great leadership, we manage to fulfill all the responsibilities of our company as a manufacturer and exporter. We plan to keep on working in this quality focused and customer friendly manner, even in the future years, to become the most trusted choice of clients.
